Presidents Report- Submitted by Jonelle Metzler read by Dr. Jen Sugra

Bingo: Went very well, though we did not have the numbers we had anticipated...weather might have played a role?? We have left over supplies, bingo daubers & cards, that I'm told, will easily keep for years☺ (they are in the PTO supply room). We also had prizes leftover and instead of returning them to the store, they were given to Dr. Sugra to replenish student incentive prizes that she had donated toward bingo prizes. Total expense for PTO from Community Events budget: \$116.57... slightly higher than my goal of staying under the \$110 cost for the movie license renewal. Since we only used half the popcorn we purchased for Bingo, Kelly Eachus said the PTO would not have to buy popcorn for a future event☺

Tri-fold display boards were purchased for students to use for the Science Fair.

Treasurer's Report: Derek Arnold and Vinnie Perkins

Santa's workshop: \$77.55 profit

Mussers income: \$1700.50 profit

Bingo Night: \$116.00 loss

\$141.00 was collected for 6th grade trip to Science Factory. These funds will be put into Field Trips awaiting busing bill.

Derek voiced that we don't have much income coming in at this time.

Principals Report: Pequea Renovations will begin next school year 2015/2016. Martic will have four of Pequea's classrooms for this school year, 1st and 2nd grades. Art and Music will be on a cart.

Art Residency: Four week after school program 3:30- 4:30. Dr. Sugra will find out grade levels that may participate. Shannon Spearing has expressed interest in volunteering time per 2nd grade is included. Volunteers will be needed for this program

Teachers Report: Cheryl Aucott

Teachers are very appreciative of everything PTO does for school and staff. PTO discussed with Mrs. Aucott the use of online vs. paper forms from PTO. Mrs. Aucott stated that staff knows who may need paper form and will always assist in getting paper form to that student(s).
